Community Clean Up Day

Do you want to make a difference in your community? Have a day of outside activity and fellowship with your neighbors? We have the solution.....Victoria Grove Community Service Day! **On March 20th we will meet at the community park near the tables closest to the restrooms at 10:00 am,** at which time you can meet and talk with the new management company to get to know them. Once the meet and greet is over we will start the community clean up, which will include litter pick up and removing weeds in the curbs. We will be practicing social distancing for everyone's comfort and safety. We look forward to meeting with you all and enjoying this community fellowship.

Association Payments

Please remember to change your account info so that all payments are being sent to PO Box 51717, Los Angeles, CA. 90051-5426. Due to post office issues, we highly recommend owners set their accounts up on ACH. This will allow the HOA bank to automatically transfer your monthly assessments from your bank to the HOA's. This will alleviate the delays of the post office and ensure your payments are always on time. If you would like to do this, please contact Hannah at StoneKastle.

StoneKastle and the VGMA Board are aware many residents were never informed by Encore that they may have had assessments posted late to their account and late fees for these past due assessments have now been added to your March Statement. Please continue to pay your regular dues on time while we work on solutions to these matters. The Board has already instructed SK not to impose any new late fees, the late fees shown were imposed previously by Encore but never collected.
